

SWWS NEWSLETTER

Hi ladies!!

Welcome to the first newsletter of this year. Hope 2002 will see you through in a brighter mode. Although this comes out rather late, as the saying goes, 'it's better late than never'! So what are the stories coming. Anyway if you do have anything exciting that you wish to share with the rest of us you can always call the SWWS center/office.

We would like to say a big THANK YOU to Irene Kwang for her service in the SWWS office for the past year. Our deepest sympathy to her and family on the sudden demise of her husband. We wish her well as she visits with her son in USA.

We like to welcome Nancy Serimathi to the desk at the SWWS office. So if you have anything you need during the day, Nancy is there to attend to you.

Let's see what is coming up.

Calling ALL CPL VOLUNTEERSon April 19, at 7:30 PM, there will be a 'get-together' at the center. This is a time for volunteers to get to know each other instead of staying anonymous over the phone for the public. Make a date to share some views with fellow volunteers, who knows the acquaintance will turn out to be long term friendship!!

The Social Committee is working on an event for all members of SWWS on the 3rd of May, starting at seven PM sharp. FOOOOD..... yes, a potluck! Anything yummy for the tummy will do! We like to invite **ALL** members of SWWS to fellowship together. After which, Gill Raja and Puan Radiah (an education Officer) will be speaking on the topic, "WORKING WITH SCHOOLS". See you all....

A member, ANNA LIEW, who operates a reflexology center, will like to help train any 'survivors' as recommended by SWWS, of which the course will be funded by Biro Wanita.

I am yours truly
